BOOSTS FOR UTAH'S BUILDING MATERIALS

The weekly letter of William H. Child & Co., brokers, was issued yesterday. It contains interesting material and accurate data regarding the building macurate data regarding the building materials of Utah, giving especial attention to building stone, undeveloped stone deposits and how to get them. Lime and cement resources of Utah and brick here are also mentioned promipently. Among Utah's resources on which statistics are given are gypsum, lumber and fron, gilsonite and other building resources, that are practically undeveloped.

'Quality Street,' one of Mand Adams's great plays, will form this year's production of the University of Utah Dramatic club. This piece by J. M. Barrie has never been presented in Salt Lake, but has been phenomenally successful in the big eastern theaters. The club will appear at the Salt Lake theater February 11 and 12, with heliday matines on Livschi's hirthday. boliday matinee on Lincoln's birthday.
